- [Visionary Art Cards](#)
- [Free Downloads](#)

The images below are small-sized mockups that show the finished look and feel of the two cards in this pdf. **Print cards from pages 2 and/or 3.** See EASY INSTRUCTIONS on page 4.

## I ... Universe

Visionary art by Teka Luttrell

>>  
**Print page 2**  
to make a 5" by 7" card  
that fits into a standard  
greeting card envelope  
that is 5 1/4" by 7 1/4".

<<  
**Print page 3**  
to make a smaller and  
narrower 3 3/8" by 6 1/4" card  
that fits into a standard  
small letter envelope.

INSTRUCTIONS: Print, cut along dashed lines and fold in half.

## I ... Universe

Visionary art by Teka Luttrell

**INSTRUCTIONS:** Print, cut along dashed lines and fold in half.

*The Soul Connection Network™*  
**Visionary Art Greeting Cards**

Buy a beautiful Soul Connection Greeting Card pdf only once. Print it as many times as you want, anytime you want. Make 1, 10, 20 ... hundreds of cards or more!

For nonprofit purposes only.

**EASY INSTRUCTIONS:**

- 1 Use your best and thickest photo printing paper.
- 2 Set the printer so that it prints in high resolution.
- 3 Print your favorite cards ... and then cut along dashed lines.
- 4 Fold in half.

Each pdf contains the same artwork on two sizes of greeting cards. Print the card that is your favorite ... or the card that fits into the envelopes that you have on hand.

The artwork in the pdfs are perfect for clear, crisp printing. The cover art on every card is high-resolution, 300 dpi, RGB. The inside of the cards are blank.

See our complete line of beautiful, visionary art, print-your-own cards:
